## Community Resource Guide

# 2021

**Early On<sup>®</sup> Oakland**

**Community Resource Guide**

A guide to finding the right resources  
to match a child's and family's needs

**Don't worry. But don't wait.**

If that little voice inside your head is telling you that something “isn’t quite right” with your baby or toddler, don’t wait to reach out for help. The first years of a child’s life are too important to let slip by, waiting to see if your little one “outgrows” your concern; put your mind at ease, and give your child the help he or she may need.

**Call Early On<sup>®</sup> Oakland at:  
248.209.2084 or 866.456.2084**

Early On<sup>®</sup> Oakland coordinates services for families with children birth to three years who have a developmental delay or health condition. Your Service Coordinator will help you identify activities, programs and other supports to connect your child and family to what you need.

**Call Early On<sup>®</sup> Oakland at:  
248.209.2084 or 866.456.2084**
